Traveling from Tokyo To Kagoshima If you were to take the shinkansen from Tokyo to Kagoshima, it would take about six hours and be quite expensive, so it is much cheaper and more convenient overall to fly there.

How To Reach Kagoshima From Major Cities Like Tokyo And Osaka

Using pre-used kombu You can use kombu that was used for making dashi, either the or the. As a testament to its power, it was strong enough to negate 's control over a , despite the former's binding being considered near-absolute. It makes an interesting clear soup.

Simmer slowly like this until the kombu is very soft - it should seem almost too soft, since when it cools the kombu will stiffen up a bit. In particular, it is most convenient to travel from Tokyo's Narita or Haneda Airports, from Osaka's Itami Airport, and from Fukuoka's Fukuoka Airport to Kagoshima Airport. By this point there should be very little liquid in the pan.

Kotoamatsukami

Some thicker kinds of kombu may require a longer soak. It does take a while to cook, depending on how tough the kombu is. You can halve the amounts if this seems like too much to make at once.
