## Populism and Imperialism, 1890

It endorsed jingoistic nationalism as opposed to the businessmen's calculation of profit and national interest. They also advocated for new government roles and regulations, and new agencies to carry out those roles, such as the.

## Expansion and Reform (1801

Now I, who used to control 5,000 warriors, must tell Washington when I am hungry.

## Politics of the 1870s and 1880s

Now trenchant articles appeared in McClure's, Everybody's, and Collier's magazines on trusts, finance, impure foods, railways. These laws were a response by racial conservatives who feared that black women and men were progressing in ways that might threaten the racial hierarchy.

## Politics, Reform and Expansion... book by Harold U. Faulkner

With the coming of the automobile after 1910, urgent efforts were made to upgrade and modernize dirt roads designed for horse-drawn wagon traffic.

## A Brief History: Universal Health Care Efforts in the US

The leadership of the GOP in Congress moved to the right, as did his protege President William Howard Taft. He is remembered for investigating corruption in in American cities and leftist values.

## Politics of Expansion

But since this would have pulled the rug out from under the multi-million dollar commercial life insurance industry, they opposed the national health insurance proposal. Republicans more strongly favored hard money policies and strict laissez-faire economic policies, until public pressure forced the issue of regulation, especially with regard to railroad rates. But they tended to agree that those were the most important battles that had to be

fought in order to bring about a democratic revival.

### **A Brief History: Universal Health Care Efforts in the US**

Opposition to annexation remained high during the first half of 1898. The first great rush of population to the far west was drawn to the mountainous regions.

### **progressivism**

How Prohibition backfired and gave America an era of gangsters and speakeasies. Some historians who emphasize civil liberties decry their suppression during World War I and do not consider the war as rooted in Progressive policy.
