## **Euromoney Capital markets: Funding Africa's future**

The CMU can help overcome this.

### **AFME > Home**

The of the Court of Justice held the commission had not proven that this had any object or effect of limiting practitioners from entering the market. In addition, capital markets increase the efficiency of capital allocation by ensuring that only projects that are deemed profitable can successfully attract funds.

### **On Capital Market Finance in Europe**

In the a group of justifications were codified in article 16 that the case law has developed. It would require justification under article 36, or as a mandatory requirement.

### **On Capital Market Finance in Europe**

Why is CMU even more important due to the COVID-19 crisis? The original required that restrictions on free capital flows only be removed to the extent necessary for the common market.
