When the Soviet Union broke up in 1991, many observers predicted that the Russian federation — also a multi-ethnic patchwork straining under the historical legacies of imperial Russia and USSR — would not be far behind. The focus is expected to be on gaining the lost ground by giving short-term dividends to the electorate. When the Congress came to power in these goals were expressed in industrial relations legislation by the government and the encouragement given to the INTUC by the Congress party.

Some of the ablest men in the two international institutions are Indians- to say that the Indian Government cannot think for itself is gratuitous self-condemnation. In any event we must judge the policy underlying the budget on its merits, and it is wholly irrelevant to be concerned about who suggested the path of wisdom. One of the great failings of democracy is the mistaken belief that it is the duty of the Opposition to oppose. It takes the form of election rhetoric and party manoeuvre. There is no policy underlying the Budget. In point of complexity and poor quality of administration, our direct tax laws — with the myriad rules and notifications which are beyond count or care — must surely rank as the very worst fiscal system in the Third World.
