The Philosophy of Spirituality

Religious faith, in contrast, does not depend only on empirical evidence, is not necessarily modified in the face of conflicting evidence, and typically involves supernatural forces or entities.

Popular Culture and Religion in America

Some Tantalizing Suggestions from the Opus Postumum Yet it is quite admirable that, in the last few years of his life, despite struggling with the onset of dementia that made any such task increasingly challenging, he kept trying to explore new dimensions of the philosophy of religion. And unlike Judaism and Islam, Christian theists conceive of God as triune the Godhead is not homogenous but consists of three Persons, Father, Son, and Holy Spirit and incarnate as Jesus of Nazareth fully God and fully human. Second, as a university student, Kant became a follower of Newtonian science.

Explorations in Post

The debate has turned mainly on how one defines a miracle, understands the laws of nature, and specifies the principles of evidence that govern the explanation of highly unusual historical occurrences.

Contemporary Scientific Views

It has become familiar to millions through a diverse publishing program that includes scholarly works in all academic disciplines, bibles, music, school and college textbooks, business books, dictionaries and reference books, and academic journals.

Philosophy of Religion (Stanford Encyclopedia of Philosophy)

Through fiction I explore topics that have interested me as a philosopher; for example, life after death, spiritual experience, personal identity, abnormal psychology, and the nature and role of evil in the world.
