Although Bergman deployed adventurous pantomimic sequences in later films such as Persona 1966 , Hour of the Wolf 1968 , and Cries and Whispers 1972 , he himself never again relied so much on pantomimic action to construct a film narrative as he did in The Silence nor was his pantomimic imagination quite as inventive or complex.

Gleser, Hilda Andresovna

Her dance scenes in operas and operettas were like mini productions that always attracted spectators and critical attention.
