Howard Hodgkin Prints For Sale

Assertive compressed gestures, sweeping complex textures, a lush palette, and the dynamic interchange of light and dark are all traits of his distinctive signature. Hodgkin was a cousin of the English painter Eliot Hodgkin 1905—1987 , During the Second World War, Hodgkin was evacuated with his mother and sister to the USA, where they lived on Long Island, New York.

Howard Hodgkin · British painter and printmaker

He was excited by changes in scale, admired the work of Vladimir Polunin 1880-1957 , chief scene painter of the Ballet Russes, who worked with Picasso and could make a backdrop from a sketch on a matchbox. Its creation was achieved through a complex printing process which used many layers and an incredibly complex printing process to build up its colourful effect. A major exhibition of his work was mounted at Tate Britain, London, in 2006.

Howard Hodgkin

Embracing spontaneity and directness in equal measure to the processes of reflection and capitulation, Hodgkin may take a year to prepare to execute a single brushstroke.

Howard Hodgkin: New Paintings, Rome, March 15

As you enter the first room, you are confronted by Portrait of the Artist Listening to Music, 2011-16, the largest painting in the room.
