Flashforward by Robert J. Sawyer

So, red denim, because blue denim jeans are old-fashioned, in 2009.

4 New Theories About the 'This Is Us' Flash

The visions, or lack of, that they experience shape their actions and thoughts for the next twenty years. Likewise, the characters are fairly simplistic, and while I admire Sawyer's efforts to make a multi-national story peopled with multi-national characters, his ability to capture said people in all their culturally different ways is a bit lacking. Shoes slap against stairs at least mine do; I got them at Bozo's Clown Warehouse.

4 New Theories About the 'This Is Us' Flash

Well this was an interesting read - more for curiosity than because it was an amazing book. It was a brilliant start and a real page turner. The First Law of Thermodynamics deals with the conservation of energy.

Flashforward

Sawyer, what a tangled web you weave. I had trouble sleeping last night, partly because I found this book so engaging.

Flash forward

Instead, his vision saw him working in a tacky tourist restaurant. Sawyer explores some very interesting issues about fate and predestination; together with some fascinating, and even educational, science expositions not that I actually understand all of it. This book is about examining how people would react to the knowledge of what their future could possibly be.
