Startseite

There are many wood and pulp-paper factories near the forested areas. International hub airports are , and in adjacent states.

Thüringen

The crossing of the by the A71 has been one of Germany's most expensive motorway segments with various tunnels including Germany's longest road tunnel, the and large bridges.

Thüringen, Austria

Thuringia is the only state without barge or ship waterways; its rivers are too small to be navigable to them.

Startseite

Together, they accounted for a significant part of the world's potash production in the mid-20th century. When the of conquered the Thuringians in 531, they appeared to rule the region directly without appointing any sub-kings.

Thuringen, Germany Postal Code Lookup by Address/City, Map (Zip code, Postcode)

Between them lies the flat and forested in the north, the flat and fertile in the middle and the , a hilly but in most parts non-forested region in the south. Die entstandenen Schäden werden nur mit einem langen Atem zu beseitigen sein.
