Practice the Principles of Good Stepparenting

Because the first time I heard that statistic at only 2 years in, I burst into tears.

7 Must

We were just glad to be able to try and help. Something that can be useful is to talk with your husband about standard house rules for everyone to follow regarding respect for others, and how you expect everyone to treat each other.

Step Parenting Challenges

Your self-care plan can be anything you wish, from engaging in an activity you enjoy to working with more structured supports like a counselor or a support group.

Stepparenting Teenagers

In the perfect world, you would be able to discuss that and parent the children properly; but in a perfect world, those are the things that probably led to your divorce in the first place; you know? Please be sure to write back and let us know how things are going for you and your family. Not when my parents moved us to a tiny town where everyone had known each other since preschool and I got treated like the new kid for the next half dozen years.

7 Must

I feel we should treasure the time we do have alone even though it is not much because our children will be gone before we know it.

Practice the Principles of Good Stepparenting

Parenting is an rewarding journey full of love, hope, positivity, and friendship.
