## Religions of the World: General Anthologies of Sacred Texts

With ANTHOLOGY OF WORLD SCRIPTURES, 9th Edition your students will encounter the most notable and instructive sacred texts from major world religions, including Hinduism, Buddhism, Jainism, Sikhism, Confucianism, Taoism, Shinto, Zoroastrianism, Judaism, Christianity, and Islam. Most introductory textbooks talk about world religions; this anthology lets them speak for themselves. Bailey This anthology of readings from the major world religions draws together excerpts from key scriptures, later writings, and contemporary articles to provide a sense of each faith.

## World Scripture: A Comparative Anthology of Sacred Texts

Philip Novak distills the most powerful and elegant expressions of the wisdom of humankind. The chapter introductions provide valuable background information on the founder, origins, teachings, and major beliefs of each religion. The excerpts are grouped by faiths and subclassified by type: sacred narratives, doctrines, rituals, institutional expressions, experience, and ethics.

## Anthology of World Religions: Sacred Texts and Contemporary Perspectives by Lewis Vaughn

Also included are the most important scriptures of the new religious movements: Baha'i, The Church of Jesus Christ of Latter-Day Saints, the Christian Science Church, the Unification Church, and the Church of Scientology.

Â This anthology combines classic texts, such as holy scriptures and theologies with contemporary issues, such as women and ecology.

## Scriptures of the World's Religions

Supported by introductions to the readings by the editor, this anthology provides the most comprehensive and pedagogically sound access to the sacred literature of the world available in a single volume.

## Religions of the World: General Anthologies of Sacred Texts

Read Full Overview This was a required textbook for my World Religions course. The challenge is to preserve their religious and cultural uniqueness without letting it operate as a cause of narrow and divisive sectarianism that contradicts the vision of unity and peace.

**Bailey & Fisher, Anthology of Living Religions, An, 2nd Edition**

How do you show religions as they are practiced today? For example,Â this anthologyÂ includes debates with materialist theories such as those of Freud, Marx, and Nietzsche, between monotheists, polytheists, and monists, about theories of symbol and myth, scientific theories such as the Anthropic principle, women in religion, and articles by major contemporary figures, from Paul Tillich to Mother Teresa and Thich Nhat Hanh. Authentic, poetic translations of key texts are Grand in its sweep, this survey of the sacred writings of the major religions of the world offers a thoughtful introduction to the ideas and beliefs upon which great faiths are built. This is the text I was assigned to use for my World Religions classes, but I am not enthused.
