The average distance per day of one of our eagles was 98 miles. Editorial Reviews Wilbur Smith's Eagle in the Sky falls plum into the category of 'the good read'.

Eagle Symbolism: The Spiritual Meaning Of Seeing An Eagle

From a young age it's clear that David Morgan is 'bird' - a natural pilot, most at home in the air. Depending on the context of when and how an eagle appears in your life, as well as the emotions or spiritual activation that you experience, an eagle may have a special message for you on your individual journey. When tragedy tears them apart, it takes an even greater tragedy to reunite them.

This is almost I say almost a love story which is definitely not my thing at all but it still held me to the end. South again, following the coastline where small figures on the white sand paused to look up at them from under shading hands, south towards the great flat mountain that marked the limit of the land, its shape unfamiliar from this approach. The Cadillac pulled off, gathering speed, and disappeared round a bend amongst the trees beyond the last buildings.
