The Relationship between Beatrice and Benedick in...

With the opening of trade between England and Japan, Japanese imports, art and styles became fashionable, and a exhibition opened in Knightsbridge, London, making the time ripe for an opera set in Japan. It outran five of its nine competitors for the 1871 holiday season, and its run was extended beyond the length of a normal run at the Gaiety, but no one at the time anticipated that this was the beginning of a great collaboration. Alternatively, is recorded as objecting so strongly to Iolanthe's comic portrayal of Lord Chancellors that he supported moves to disband the office.
