## Noxons of Ingersoll (1856

Halls Creek, which formerly flowed into the pond, continued, but its course was changed and widened; rustic bridges were erected and other improvements made, including the installation of a swimming pool for children.

## Results: The Ontario Genealogical Society Collections

Roberts progeny did well with that company.

## Ingersoll, Ontario

In 1874 John and Robert entered into partnership with a railroader, George Douglas Sr. Thus, Ingersoll's first pond most likely dated from the years 1818-1819, when Thomas Ingersoll Jr. I Live on Air, With Sixty-Four Reproductions of Photographs.

## Noxon Brothers Manufacturing Co.

In general this is a remix of chess, checkers and corners. All have managed to keep out of office except James, who has had responsibilities in the

municipalities of the town and county quite as often and quite as long as he has desired them. Since the entries are short, it was felt that they did not merit separate entries in this bibliography.

### **Books about Companies N**

In passing through Ingersoll by rail the traveler can scarcely fail to notice the factory of which we write. The couple left Ingersoll for the mission fields in China, where her husband died. The Oxford settlement later hamlet of Ingersoll did not have a resident Anglican clergyman until forty years after Gideons death, although it was included on the Bishops occasional circuits through the province until then.
