### Getting citizen participation right in the European Union and China

Her term ended in 1999 when she lost her re-election bid. Topics include representation, sexuality, and work. She became the first woman to qualify for federal campaign matching funds and qualified for Secret Service protection.

### Strengthening women's participation in local governance: lessons and strategies on JSTOR

Our colleagues at the have been studying a case in an area of Shenyang that is majoritively populated by Hui, a Chinese Muslim minority group.

### Pathfinder for Women's History Research

Discusses womens suffrage as a social movement as opposed to a political movement and as part of the history of feminism.

### Who are 'the people'?

Then you have the worst possible scenario: people who are jaded by the engagement process because they have given their time and energy and seen nothing come out of it. A Cultural History of Women in Antiquity.

### Women and Citizen Participation: Contributions to Development, Gender Equality and Governance from Volunteerism

Among other provisions, the Local Government Act 2009 mandates local councils to hold two rounds of public planning and budgeting meetings in each fiscal year in each ward : the first to consult community members on local priorities, and the second later in the year to share a progress update on implementation and expenditure. New York: Free Press Collier Macmillan, 1989. Westport, CT: Greenwood Press, 1983.

### Getting citizen participation right in the European Union and China

He argues that the segregated work and social life of nineteenth-century married women continued on the Overland Trail. Written in prose, no detailed list of holdings. Chapter on government employment of women scientists.

**Strengthening women's participation in local governance: lessons and strategies on JSTOR**

Urbana: University of Illinois Press, 1989. The problem that our colleagues in Norway have identified in the Chinese process is that even though everyone at every level is given the chance to speak and be heard, the process remains insufficiently dialogical.
