Not exactly what you're after, but. Both the Indian and Pakistani armed forces were provided with large number of weapons after the 1948 partition and both sides were still using them by the time of the 1970 — 1 Indo-Pakistani War.

## The 25

Mars: A Myth Turned to Landscape. Uniquely it includes a critical assessment of Claude Auchinleck, C-in-C Middle East and often referred to as the 'soldier's soldier' and describes the role and function of the artillery in World War Two. A very clean very tight copy with bright unmarked boards and no bumping to corners.

## The War of the Worlds

The Narrator just barely escapes detection from the returned foraging tentacle by hiding in the adjacent coal-cellar. Ltd was asked to produce a design based around the Valentine tank chassis, which was completed by June 1941.

## Well

The dreaded super-foe name struck fear, championed by legendary Field Marshal Erwin Rommel.
