**Lorna Sage · How to do the life · LRB 10 February 1994**

She wrote about her affairs extensively, documenting her progression from a first encounter in the back seat of a car to the sophisticated environs of her mature adventures. Both parents died, leaving their very young children in the care of their grandparents. Thorough, entertaining, informed: it is well-researched and scholarly, and, at the same time, a page-turner.

**Show Me the Girl : WRITING DANGEROUSLY: Mary McCarthy and Her World By Carol Brightman ; (Clarkson Potter / Crown: \\$30; 636 pp.)**

Her obvious affection for McCarthy does not blind Brightman to the chilling selfishness, sexual rapacity, lack of compassion and snobbery, but the courage and intellect shine through, and while The Group does not withstand re- reading, Memories of a Catholic Girlhood and the stories remain true works of art. At the age of 11 she was retrieved to Seattle by her prosperous Protestant grandparents, but her brothers were left in boarding school.

It seemed that both as a woman and as a writer she inspired strong feelings in other people.
