### Effort in Arkansas to enact hate crimes law in jeopardy

The main difference between the processes of reporting and addressing hate crimes in the United States and England and Wales is the option for local agencies in the United States to submit data on hate crimes.

### Learn About Hate Crimes

The results show that three in four voters support including sexual orientation in federal hate crimes laws, including 85 percent of Democrats, 74 percent of Independents, 64 percent of Republicans, 74 percent of African-Americans, 74 percent of Latinos and 74 percent of Caucasians. President Bush and federal law enforcement authorities speak out against these crimes and launch probes into more than 200 incidents across the country.

### Hate Crimes Timeline

May 3, 2007 The House passes the Local Law Enforcement Hate Crimes Prevention Act by a floor vote of 237-180. The Data Hub is able to data directly from the crime recording systems of local forces. The federal government should take a number of actions to combat hate crimes.

### Learn About Hate Crimes

For example, just 28 states include gender bias in their definition. May 1999 Judy Shepard speaks before a U.
