## LA Youth » Behind bars: Four teens in prison tell their stories

November 2008 Cameras and recorders in hand, youth around the world are partnering with WKCD to document the traditions and the tensions of the communities they call home. I couldn't walk or stand, and my arms were like rubber.

### The First

Into that void stepped opportunists and Mafia affiliates, who ran the unlicensed establishments and reputedly had deals with the police to stay in business. In the end, he and social psychologist Harald Welzer analyzed a total of 150,000 pages of source material.

### The experience of infantile autism: a first

In these schools students embrace academic mindsets and self-directed learning--establishing their own goals, adapting to new circumstances, accepting feedback, and persevering. Click here for early excerpts. The deeper Neitzel dug into the archives, the more material he found.

### Homelessness & Housing

How are you preparing for adult prison? Despite the fact that this word usually represents all that is mysterious about the first-person, it would be naive to expect that the phenomenon be completely separable from the third-person viewpoint. Relationships with family and peers? Baked goods connoisseurs Greggs previously showed. When I had enough strength at times to force my voice out, I sounded like a robot.

### Experiences for Youth

And when I met the two guys, they seemed calm and laid back. The novel takes the reader through Jane's childhood, young adulthood and love story with Mr.

### Using First Person in an Academic Essay: When is It Okay?

. And, even when the students share the same language—perhaps Spanish or Chinese—the differences among their situations can be breathtaking.
