### An Addendum to Injury Rates in Iranian Taekwondo Athletes; a Prospective Study

Dutch speed skater won gold in the men's 5000m event, becoming the only male speed skater to win the same Olympic event three times.

### Paralympic Games

### Seoul 1988 Olympic Games

I think that it was a particularly bad case of insensitivity. Holyfield ended up with the bronze medal while his competitor New Zealander Kevin Barry managed to grasp the silver medal.

### An Addendum to Injury Rates in Iranian Taekwondo Athletes; a Prospective Study

Virtually no snow fell for two months before the Games, and there was not enough snow to hold all the events until mid-January. This study reports

on the training program of a world-class female triathlete preparing to compete in the London 2012 Olympic Games.

### **Calgary's multibillion**

Soviet Greco-Roman wrestler , competing in the super heavyweight division, also won his first gold medal. Probably this error is consequence that Costa Rica's delegation of one athlete joined the Games after the Opening Ceremony, so 77 nations participated in Opening Ceremony and 78 nations participated in the Games.
