Confined to prison, the 44-year-old merchant passed the time by regaling his fellow inmates with tales of his journeys in China and his years spent in the employ of the Mongol ruler Kublai Khan. I cannot recommend this edition, given the other ones that are available but I happened to have it. He was arrested and later executed 23 days before Berlin was captured by the allies for the discovery of his connection to anti-Hitler conspiracies think the movie Valkyrie.

8 Works of Literature Written From Prison

What can be quite hard about reading these letters with little background knowledge is the high degree of familiarity assumed. He expresses

expected frustration at the legal delays and sadness at missing big family events, but it is always with an acceptance of God's timing and allowance.

Dietrich Bonhoeffer

The book overcame these obstacles and now stands as a landmark of theology.

Project MUSE

This book is a record of his letters and writings smuggled out of prison to his family and friends, many of which include some beautiful Christian teachings.
