## Prior Appropriation and Riparian Rights over Water

Archaeological sensitivity study of the North Sonoma Valley. In the Sacramento River Valley, only 25,000 of the estimated 500,000 acres of riparian habitat that existed in 1850 remain today.

## California Riparian Systems

Though the Riparian Areas Regulation RAR does not apply to farm practices as defined in the Farm Practices Protection Act, please note RAR does apply to agricultural lands for activities that are not farm practices eg: residential construction. Riparian Habitat is the community of plants found along watercourses or washes.

## Riparian Habitat Protection

Excessive logging can strip the banks of vegetation. Policy C—Implement appropriate educational and control mechanisms to protect the unit's resource values.

## Home Page

A key element in the development of that sensitivity comes from interest exhibited by elected officials; and their interest will be stimulated when there is public support.
