Imam Ad

Ahmad Dardir, hopeful of the Mercy Of the Most Powerful, says: 2. The affirmative attributes are seven: Namely, His Knowledge encompassing all things 33. And all praise is to Allah for completion, With the best of blessings and peace 71.

Mushaf al

The Attributes of Affirmation 32. He is transcendent beyond indwelling, direction, Union, separation, and folly. All His attributes are intrinsically beginningless Because they are not other than the Divine Entity 42.

Mushaf al

Continuous development and keeping abreast of technical innovations to effectively disseminate the translations of the meanings of the Book of Allah. Developing the exegeses and translations by involving specialists and concerned individual in the revision, assessment, and correction of the translations of and information related to Qur'anic verses using electronic assessment and correction systems. Thus, He is the Majestic, the Beautiful, the Master, The Pure, the Holy, and the High Lord 31.

Mushaf al

They are Beginninglessness, Endlessness, Self-Subsistence, Difference from creation, and 24. And from Allah alone do I hope for acceptance of my actions And for benefit from this, and for the forgiveness of all slips.
