### Conservation Hall of Fame

This library includes statutory plans that are a legislative requirement and non-statutory management plans. Theodore Roosevelt 1858—1919 Inducted 1964 President Theodore Roosevelt didn't invent conservation, but at a crucial point in history he propelled the conservation movement forward and into the public consciousness.

### Find A Wildlife Management Area

Gabrielson's keen political instincts served him well. For approximately thirty years, the park elk herds were culled: Each year some were captured and shipped to other locations, a certain number were killed by park rangers, and hunters were allowed to take more elk that migrated outside the park.

### Find A Wildlife Management Area

Muzzleloader deer season usually is open in late October and for two weeks in late December and early January. He appreciates the heritage and diversity of historical, cultural, and recreational experiences that he and his family enjoy living Utah.

### Humanity has wiped out 60% of animal populations since 1970, report finds

During his six years as Wisconsin's top conservationist, Swift managed to get no less than 79 of 100 bills written by his agency passed into law — some of them landmark accomplishments. Deer seasons and bag limits are established for hunters using bows, modern firearms or muzzleloading firearms. Maryland DNR Hunting Policy: The Maryland Department of Natural Resources DNR is dedicated to helping people enjoy nature and live in harmony with our natural resources.
