Упразднение командно-административной системы управления и идеологического засилья КПСС после приобретения Таджикистаном государственной независимости способствовало кардинальным изменениям в социальной структуре общества. The electric-power enterprises employed 402,000 industrial production workers, or some 2 percent of the republic total. In addition, the program was broadcast at certain times to faraway Soviet regions only.

По критерию широты распространения прессу Таджикистана, как и в советское время, можно подразделить на общереспубликанские, городские, областные, районные и низовые издания. On the other hand, most workers and peasants were portrayed as consciously selfless patriots engaged in public campaigns for records and primacy, in collective and individual competitions.

Aleksandr Solzhenitsyn

К сожалению, пока нет фундаментальных трудов по таджикской журналистике постсоветского периода. The regime was particularly vulnerable at this time and one way of dealing with this situation was to attempt to transfer the charisma of the first leader to a successor, who then also partakes of charismatic legitimation. Many schools were switched to Yiddish without considering the wishes of parents.
