Yanderella

When they reunite after being apart for years, Hinata and Honoka start acting strange and fight for Yatarou's affections. Liked: 100 Respected: 100 Feared: -100 Routine At 7:00 AM, Sakura enters the school grounds. We are now building our new website, so will welcome you back any time to view the progress we are making.

First

Also around the mountain's base stands a small treasure house that requires an entrance fee.

Yanderella

Sakura Hagiwara

She begins questioning why Hinata returned and believes that Hinata is there for Yatarou. The temple grounds extend high up a steep mountainside, from where there are great views down onto the valley. The Kaisando Hall is dedicated to the temple's founder, Jikaku Daishi, while the Nokyodo was used for copying sutra.

Yadaba

The station can be easily reached directly from either Yamagata Station about 20 minutes, 240 yen, one train per hour or Sendai Station about one hour, 860 yen, one train per hour. When Yatarou wakes up, Hinata claims that she and Yatarou are dating. Content Warnings: Strong violence, Gore, and sexual content If you are older than 18 or up and you are comfortable with graphic material, you are free to view this page.
