A combination of these and be able to identify many of the species he or she sees from this book.

## **A Photographic Guide to Birds of India and Nepal**

There are not nearly so many House Sparrows in Delhi today yet the gentle wisdom of the rishi, sages, and the Buddha seems to have rubbed off on the avian kingdom and I would like to think all the birds who appear in this book, some of whom were very obliging. About this book  
Language: English with English, Hindi and scientific nomenclature Awarded Best Produced Paperback Book of 2006 by the Federation of Indian Publishers, this pocket-sized photographic book makes accurate identification of more common birds in the field possible.
