All of our public schools play a role in making the move of year 7 to high school as smooth and successful as possible for our students and their families. Student learning is assessed based on the mastery of academic content along with progress towards achieving skills such as critical thinking, problem solving, communications, and creativity.

Year 7 to high school information for parents

I'm a big believer that every day, we have a choice. HOW DO SCHOOLS APPLY FOR FEDERAL FUNDS? She believed that economic independence in the form of work for money was critical for this age, and felt that an arbitrary limit to the number of years in university level study was unnecessary, as the study of culture could go on throughout a person's life.

Grades were always of particular importance in high school, to me and my parents. Montessori introduced several concepts to explain this work, including the absorbent mind, sensitive periods, and normalization.

6 Ways to Implement a Real Multicultural Education in the Classroom

While excellent schools exist in virtually every urban district, it is difficult to point to a single large district where these schools are the norm rather than the exception. They didn't know my 'why' in life.
