### A Dead Hand: A Crime in Calcutta by Paul Theroux

Not every story has to be a nonstop bucket of ice cream, the melting thrill screams to be eaten before This was my first time reading Thoreaux but I absolutely loved it. Known for his travel essays, Paul releases a novel that takes us to the hidden areas of Calcutta not commonly visited by tourists.

### Making Waves: A Conversation with Paul Theroux

.

### A Dead Hand: A Crime in Calcutta by Paul Theroux

The series captures the spirit of the book without being the book. Reading is a very difficult thing for anyone to do. But most of all I liked the way Theroux handled the encounter with a priestess of Kali and her secret kundalini practices.

### Paul Theroux Book

I like all things India so that may have been part of it but I also like in-depth character development which is a part of this novel. I wanted it to give it some drama.

### A Dead Hand: A Crime in Calcutta by Paul Theroux

What about the book just as itself? In fact, the 'mystery' seems to fill only a quarter of the pages. The letter is from an American businesswoman and philanthropist who seems to have gone native in India. Delfont is a traveling writer who is temporarily in Calcutta.

### The books of Paul Theroux: dust

I enjoyed the book and the fact that it seemed a meandering story to some that didn't care for it didn't bother me at all. Unger, an alleged fan of his work who needs his help.

**Paul Theroux Author**

Which doesn't even start all that exciting.

**Riding the Iron Rooster: By Train Through China: Theroux, Paul: 9785552213320: metrics.learnindialearn.in: Books**

Next time though I'll pick a different genre. I still want to read other work from Paul Theroux, but I can't think of a circumstance under which I would recommend this book to another reader. Jerry Delfont leads an aimless life in Calcutta, struggling in vain against his writer's block, or 'dead hand,' and flitting around the edges of a half-hearted romance.
