Surveys and statistical programs

Moreover, a weaker Canadian dollar has helped to further reduce the relative cost of tuition as well as the overall cost of living for international students.

Postsecondary Success

. The actual outcome may be materially different. At the conclusion of the LFS monthly interviews, interviewers introduce the supplementary survey, if any, to be administered to some or all household members that month.

ERIC

The province of permanent residence for the student sample tends to follow the population pattern for the country, with about half of the students coming from Ontario 32 per cent or Quebec 22 per cent , about one in three coming from the west, and about one in 10 from the Atlantic provinces.

Final Year Engineering Students 2016 Survey

Those who have not received a job offer are more likely to have used on-campus career services—whether at the post-secondary, faculty, or department level, or through websites—than those with a job offer. Send me a special email on my birthday.
