3rd Ohio Infantry

If anybody wants to kill me for it, here I am. The Third and Sixth Ohio, with Loomis' battery, left camp at half-past three in the afternoon, and took the Huntersville turnpike for Big Springs, where Lee's army has been encamped for some months.

The date of original publication is included in brackets. A wide survey of the systematic attempts to understand the nature of war. It was interesting to read.

Chapter 7: American Military History, Volume I

Has he wife and children in that mountain nest? I myself be- lieve I saw several shot take effect during Tuesday after- noon.

Citizen Soldier: (The Fighting Style of Brigadier General Edward W. Bird) by Robert J. Berens 0963581279 9780963581273

The General is an eccentric genius, and has an inexhaustible fund of good stories. Elisha Rhodes wrote about the death of a man who found an unexploded shell and attempted to determine if it still contained powder by apparently putting a lighted match to the fuse hole so he could better see inside. Chapin, of the 10th Wisconsin, ordered me to take my men off the train and assist in holding the enemy in check, until valuable stores there were loaded on the trains.

In terms of the human dimension, readers cannot start their study of combat psychology soon enough. Research is continuing, and if anyone has information on this regiment, especially the 3 casualties, please send me an email. At several points, I was gripped by deep emotion at the stories of the citizen soldier.
