Room Arrangements for Awkward Spaces

This works especially well in smaller rooms. To add a bit of life and warmth to the space, the dining table used is a massive solid walnut table with large block legs. Place the sofa perpendicular to the window so that it blocks neither the window nor access to the other side of the room.

10 Simple Decorating Rules for Arranging Furniture

Kathryn MacDonald Courtesy of Grant K. For example, my home decor style definition is comfortable-modern-traditional.

Living Room Dining Room Combination Ideas

The dining table has a clear glass top, as well as clear acrylic base which matches the acrylic framing of the modern dining chairs.

We Predict the Biggest Home Design Trends for 2021 (Hello Zen Vibes and Home Offices!)

The recessed ceiling right above the dining table is clad with black back-painted glass, creating a very modern, reflective surface on the ceiling.

30 Modern Ideas for Outdoor Home Decorating with Flowers and Plants

This feeling extends to colour trends, as warm, comforting colour palettes think wine reds, golden yellows and sagey greens take precedence. You are up to any experiments.

Modern House Plans, Floor Plans & Designs

Decorating with flowers and attractive flowerpots improve backyard ideas and create beautiful patio designs.
