While controversial issues such as the role of the Holocaust in the creation of Israel and the attitude of the Zionist movement to Palestinian Arabs, from its onset to the 1948 war, are examined in order to set the record straight after decades of mistaken and misleading research. What interested me were these remarks by Ambassador McHenry. In his opening remarks, Ambassador McHenry noted that, while there are those who say that Bunche's greatest contribution was in peacekeeping, he believes it was in the area of decolonization.
