**The Project Gutenberg eBook of Life In The Medieval University Author: Robert S. Rait, M.A.**

The lives of the medieval English were different from one class to the next. The work itself and later apologies for the institution mention among the instruments of torture a comb and scissors for cutting the victim's hair, an auriscalpium for his ears, a knife for cutting his nails; while the ceremony further appears to include the adornment of the youth's chin with a beard by means of burned cork or other pigment, p.

## The Medieval University

As founders did more for their students, they expected a larger obedience p. By the end of what is considered to be Medieval England, the following colleges had been created at Oxford — University College, Balliol, Merton and Exeter.

## The Rise of Medieval Universities

The Italian town had a law school of great renown, which attracted students from all over Europe, often from wealthy backgrounds. However, if you are the type of pers Pros: Very good description of where a lot of traditions come from as well as what the students and villages went through living together at this time.

## Life at a Medieval University

One reason not many people went to school was because most were not privileged at this time the literacy rate was very poor. You may use this eBook for nearly any purpose such as creation of derivative works, reports, performances and research. The system originated in Paris.
