Six Silent Men: 101st LRP/Rangers: Book Two by Kenn Miller

The author was a Lurp, as they termed themselves.

Six Silent Men by Gary A. Linderer

Whether conducting prisoner snatches, search and destroy missions, or hunting for the enemy's secret base camps, LRRPs depended on one another 110 percent. And when they found him, they brought the wrath of God and the U.

After working on their own in Vietnam for more than two years, the Brigade LRRPs were ordered to join forces with the division once again.

Six Silent Men: 101st LRP/Rangers: Book Two by Kenn Miller

The 101st arrived in Vietnam in July 1965, at Cam Ranh bay. Unlike the units that came later, the 1st Brigade LRRPs were moved around a lot during the war. Those who learned quickly survived and passed their knowledge and experience on to others.

It had been long enough that I had forgotten a lot though. But the swamps, jungles, mountains, and valleys of South Vietnam would soon become its proving ground.

Six Silent Men by Gary A. Linderer

Fortunately, the new company did have the Recondo School, and it retained the same access to training sites as any other infantry company, albeit without the support resources the other companies enjoyed. Based on his own experience and extensive interviews with other combat vets of the 101st's Lurp companies, Gary Linderer writes this final, heroic chapter in the seven bloody years that Lurps served God and country in Vietnam.

Rain was constant, and though the patrolling was usually slow and careful, the pace of training was relentless. Many times the team would be compromised and have to fight their way out of danger, occasionally losing never leaving members of the team, but always inflicting heavy casualties on the NVA.
