Mu Ying

As late as the 1650s, his descendant Mu Tianbao was one of the main supporters of the , the last emperor of the , and accompanied the fugitive emperor all the way into Burma.

中华烛火娘 (Zhōnghuá Zhú Huǒ Niáng)

Qin benefitted from the project as it became one of the most fertile states in China due to the good irrigation system, and also because it could now raise more troops as a consequence of increased agricultural yield. Edition Jing bian ban, Zhen cang ban.

Qin Lie

There is Gravitational Energy produced from this Cultivation Technique, it granted him the power of gravity.

Res Centre for Chinese Philosophy and Culture

The Mu Prince Residence based in Yunnan is a pro- secret organisation that houses the descendants of Mu Ying and his followers. Following the fall of Qi in 221 BC, China was unified under the rule of Qin. It has been suggested by scholars such as Annette Juliano and Arthur Cotterel that having a horse-breeder as their ancestor may imply that the Ying family had partial relation to nomadic tribes.

Chinese Anime (Donghua/Dongman)

Qin attacked Yan again in 222 BC and annexed Yan completely.

Mu Ying

Garcia-Gomez, Selene Sepúlveda-Guzmán, Salomé M.
