The Age of Innocence by Edith Wharton (Hardcover, Very Good+) 9780684197197

It is basically a story of how late 1800s high society in New York handles behavior they feel unbecoming of their station.

The Age of Innocence by Edith Wharton: 9780143134817

Wharton had published poetry and short stories before *The Valley of Decision* came out in 1902. There was something about the craft of writing that appealed to her desire to feel both at home with and estranged from herself. The last time I read it was probably two decades ago, so it was almost like I was reading it for the first time.

The Age of Innocence by Edith Wharton (Hardcover, Very Good+) 9780684197197

Capoul's impassioned wooing, and affected a guileless incomprehension of his designs whenever, by word or glance, he persuasively indicated the ground floor window of the neat brick villa projecting obliquely from the right wing. At last, there is release. It is consistently included on lists, and has been translated into over a dozen languages and adapted to film more than any other Wharton work.

Edith Wharton: Beyond the Age of Innocence by Ruth Turk

Written through the eyes of Socrates, Plato takes the reader into a world where debates are raged over such topics as justice, war, marriage, and the way a state should be run. For Newland Archer, the leading male character, there is an imagining of an alternative existence to the one that convention has pressed upon him, he has built within himself a kind of sanctuary for his secret thoughts and longings.
