The Japanese military failed to defeat the Chinese government led by Chiang Kai-shek and the war descended into a bloody stalemate that lasted until 1945.

Politics

. Broad 1913: 397 Broad is alluding to the fact that every philosophical standpoint must confront the problem of how to treat its own defining claims, by its own lights. The term fascist comes from the Italian word *fascismo*, derived from *fascio* meaning a bundle of rods, ultimately from the Latin word *fascēs*.

The Holocaust and History

We are on the side of labor and against finance. But in our actual imperfect world Every reform of an imperfect practice or institution is likely to be unfair to someone ... To change the rules in the middle of the game, even when those rules were not altogether fair, will disappoint the honest expectations of those whose prior commitments and life plans were made in genuine reliance on the ... old rules.
