Did the CalPERS Chief Investment Officer CIO make decisions to invest in China? Industries not on the list are open for investment to all businesses and will not require pre-approval by the Chinese government. In some circumstances, assets and liabilities may be shown at their historical cost, as if there had been no change in value since the date of acquisition.

## Foreign Investment Pours Into China Despite Trade War, Pandemic

Latin America and the Caribbean Latin America and the Caribbean LAC is the third-largest destination of FDI from both China and the world.

## China enacts new foreign investment security review measures

Compared with the 2019 edition the proposed 2020 Foreign Investment encouraged catalogue has been further lengthened, with 125 new industries added and 76 previously listed industries amended. There is little evidence of foreign investors acquiring or building de novo controlling positions in sectors critical to national security as defined in China, and many such sectors like culture are already largely off limits to foreign investment. Due to varying update cycles, statistics can display more up-to-date data than referenced in the text.

## A New China for 2021: Foreign Investor Friendly Access, Future BRI Plans

Under the previous laws, this was not allowed unless Chinese individuals had been shareholders of the target company for at least one year before the acquisition of such target company by foreign investors. Not without critics, FDI is generally believed to bring advantages to the investing company, such as access to new markets and decreased costs of labor, materials and production facilities. On November 22, 2019, China issued its 2019 version of the unified negative list for market access.

### **China Overtakes U.S. as World's Leading Destination for Foreign Direct Investment**

Article 29 During the process of foreign investment, where verification and record-filing of a foreign investment project are required, relevant provisions of the State shall be followed. As I explained earlier, many of the initial projects are now coming to fruition, and there is simply not the need there was seven years ago to embark on massive supply chain builds. A Sino-foreign equity or contractual JV is no longer a separate legal vehicle, and the Company Law or the Partnership Enterprise Law will apply, depending on the legal form of the legal entity to be set up by Chinese or foreign investors.

### **China becomes world's leading destination for foreign direct investment, surpasses US**

With a wealth of employees and potential partners eager to learn and evolve, the country is a base for low cost production, which makes it an attractive market for investors.
