Aeolian Sand and Sand Dunes

The carriage of silt by rivers has received a great deal of attention from engineers. Blue boards with bright gilt lettering on spine. They are an archetype for the self-organized patterning of systems of many interacting components.

Download The Physics Of Blown Sand And Desert

Three PO names in ink.

The physics of blown sand and desert dunes. (reprint, 1941).

Never ex-library unless explicitly noted as such. Bagnold joined the British Army's Royal Engineers in 1915 and fell in love with the deserts during postings to Egypt and India.
