Rather, as a Jew, Paul sought to relate the coming of Jesus the Messiah to the story and history of Israel. And ultimately, Adam was to blame! While Sanders himself did not develop this though Wright does, we find here in seed form the entire structure of rabbinic teaching within its larger context, the context of a story, the story of a people, Israel.

The four tasks of social approaches are description, explanation, prediction, and application pp. Theological issues were present, but they are not sufficient alone to explain the conflict.

Paul and His Interpreters: A Critical History by Albert Schweitzer

Puzzlingly, and rather arbitrarily, the Jesus Seminar preferred wisdom to apocalyptic p. All interpretations of Paul, Wright contends, involve four tasks: history, theology, exegesis and application or implication for our world. ALBERT SCHWEITZER lays a very peculiar emphasis upon the eschatology of Paul, which he claims arises out of his conception of union with Christ.

Paul and his interpreters : a critical history : Schweitzer, Albert, 1875

Here he notes the limitations of Martyn and De Boer. Both show considerable parallels with the Christian groups; both also reveal considerable divergencies, of which the translocal character of the group was again an obvious one.

Paul and His Recent Interpreters

There is a cosmic dimension to this whole approach, for example the apocalyptic triumph over cosmic evil, first in the res.
