## The Letter Aleph

According to the testimony of Kenichi Hirose at the Tokyo District Court in 2000, he mentioned that Asahara wanted the group to be self-sufficient in manufacturing with one working model smuggled secretly to Japan in order to be studied and used as a basis for future Aum-made AK-74s. In the story, all of the letters come before the LORD giving reasons why they should be the first letter — all, that is, except for the letter Aleph. His corpse was destroyed in a -powered incinerator and the remnants disposed of in.
