## Corporate Citizenship

As a firm we are advancing reconciliation by fostering meaningful and lasting relationships in working with Indigenous peoples, clients, and communities.

## Deloitte US

Please see for a more detailed description of DTTL and its member firms.

## Welcome to Iconfirm

There is an opportunity to have an impact on Indigenous communities and organizations from coast to coast through our firm's under the four pillars of education, employment, inclusion and economic empowerment. DTTL and each of its member firms are legally separate and independent entities.

## Deloitte US

It gives me the opportunity to learn new skills, to help grow our Java community, host events, present to clients and to win against my colleagues in a match of table tennis. Pay is on par and work is very interesting.

## Careers at Deloitte

The Company focuses on internal audit, enterprise, financial advisory, financial accounting, risk management, human capital, strategy operations, and technology consulting.

## Deloitte Digital—US

Certain services may not be available to attest clients under the rules and regulations of public accounting. Read the , coauthored with the Global Business Coalition for Education through the Skills Friendly Cities initiative.
