## Kierkegaard som eksistentiel fænomenolog: En antologi — Aalborg Universitets forskningsportal

Voluntarily to give up all is to be convinced of the glory of the good which Christianity promises. Hvad står de enkelte psudonymer for? Søren Kierkegaard, Works of Love, 1847 Hong p. Instead of deterring and calling people to order by speaking of being despairing and being offended, it has waved to them and invited them to become conceited by doubting and having doubted.

### Søren Kierkegaard

He explored particularly complex problems from different viewpoints, each under a different pseudonym. Grundtvig emphasized the light, joyous, celebratory and communal aspects of Christianity, whereas Kierkegaard emphasized seriousness, suffering, sin, guilt, and individual isolation. But in the waters of morality it is especially at home to those who still have not entered the tradewinds of virtue.

### Litteratur

Steele, Brent 1 October 2013. However, one of Kierkegaard's central points in Fear and Trembling was that the religious sphere entails the ethical sphere; Abraham had faith that God is always in one way or another ethically in the right, even when He commands someone to kill.

### Søren Kierkegaard (Stanford Encyclopedia of Philosophy)

Søren Kierkegaard Selskabets Populære Skrifter 17.

### La teoría existencialista de Søren Kierkegaard

Here is an anecdote about his father from Kierkegaard's journals. His pamphleteering achieved little immediate impact, but his substantial philosophical, literary, psychological and theological writings have had a lasting effect.

### Zuineli

But this difference is very significant in the first moment and very decisive in the next moment; yet if the first moment is the judgment of the momentary, the second moment is the judgment of eternity. And man, this clever fellow, seems to have become sleepless in order to invent ever new instruments to increase noise, to spread noise and insignificance with the greatest possible haste and on the greatest possible scale.
