### The Gwinnett Historical Society

And yet, notwithstanding all the adverse circumstances that have trammelled business since the war, notwithstanding the 70 Atlanta As It Is. This colony increased very rapidly, and according to Jones, the 150 were multiplied tenfold in a little over a twelvemonth.

**Atlanta as it is : being a brief sketch of its early settlers, growth, society, ... / by John Stainback Wilson**

We next pass to the bakery, which is sufficient to supply the whole house with bread.

The present number of letters written and deposited by the citizens of Atlanta daily is about four thousand, and the number received about the same. The recent purchase of the building by the State, and the contest in the Legislature over it, are fresh in the memory of all.

**Historical sketches; Presbyterian Churches and early settlers in northeast Georgia.**

The Atlanta office is one of collection and deposit, receiving surplus money-order funds from the three States of Georgia, Florida, and Alabama, and forwarding them to the postmaster in New York. It was decided by them to establish a market town nearer to the colony than Savannah, and in 1758 the town of Sunbury, on the western bank of Medway river, was laid out. They do a very large local and general business.

**Wilkes County, Georgia Genealogy and History EARLY SETTLERS.**

This church was succeeded by a better one, which was burned during the Revolution, and that by a still better one. Some of the immigrants were, however, men of property and lairds of the clans from which most of the immigrants were recruited by Captain Mackay, and while many of the poorer members of the colony became dissatisfied with New Inverness and joined the malcontents, these leading families sided with Mr. This house is a branch of the large one of T.

It is about ten miles northwest of Washington, and is a trading center for that section. Kimball, and finished by him for a State Capitol, under a lease from the city. The sales from the above two yards amount to twelve hundred thousand bushels a year.

**Atlanta as it is : being a brief sketch of its early settlers, growth, society, ... / by John Stainback Wilson**

WALLACE AND FOWLER, REAL ESTATE AGENTS, ALABAMA STREET,. These pumps draw water a distance of four hundred feet, from the Park well, and then elevate the water seventy-five feet, to the top of the building ; and they are so arranged that any one of them can substitute the action of another that may be disabled, by simply turning a valve. Besides these, we have a large number of private boarding-houses.
