Florentine Nights (Nuits Florentines)

And, more than that, when we closely examine the best which such Northern musicians offer us, we find in it Italian sunshine and orange perfume which belong much more to beautiful Italy, the home of music, than to our Germany.

Battle of Montaperti

.

Battle of Montaperti

She died while giving birth to Laurence. Generally a castle, but not invariably.

Photoessay: Florentine nights

I will sleep here on straw; this was the bedroom of my late father—it looked far better once than it now does. How I awoke I know not, but I long revelled in the after-feelings of this happy love.

Florentine Nights by Heinrich Heine

Poderia escrever muito sobre este livro de Heine, desde suas opções narrativas, sua quase completa ausência de enredo, sua ironia formidável. But no coach came, or rather coaches only which belonged to other people, who got in gaily enough and departed, until little by little I was left alone. His long black hair fell in tangled locks on his shoulders, forming a dark frame for the pale, corpse-like countenance, in which care, genius, and hell combined had graved their ineffaceable signs.

The Works of Heinrich Heine/Vol. 1/Florentine Nights

Very often broad, when they turn up the nose; very often small, when they scornfully curl their upper lips. Did the young heart divine aught like that? Strange, Paris is the stage where the greatest tragedies of the world's history are acted—tragedies of which the memory, even in most distant

lands, makes hearts tremble and eyes weep—but to him who sees them here in Paris itself, it is as it once was with me when I saw the Tour de Nesle played at the Porte Saint Martin.
