## Miller Harris L'Air de Rien : Perfume Review

I buzzed through the first few galleries full of funerary objects, already a premonition about this giant, empty place was building in my chest. I loved the complexity, I loved the way it changed from heavy white floral to skanky mossy chypre, I loved, loved, loved, the dry down of Oakmoss and Nitromusks; lots of Nitromusks. ## **L'air de Rien**

My favorite is the vintage extrait, but the vintage cologne smells very good too. And I admit this with full knowledge of the immense pleasure I took in making them.

## **L'air de Rien. Ouidah, Benin**

It smells like books and old paper, wood, warm human skin, even stables.
