The estate includes an old castle type manorhouse and a decayed factory and it turns out the owner had been inventing some rare dyes and left a secret hidden in a wall in the property. And they're all under arrest, but they ain't got shit now. During Nancy's investigation at Heath Castle, she and her friends Bess and George realize that its crumbling walls contain a secret, but what is it? Printings codes are based on the Farrah Guide, 12th printing.
