Summary of the Administrative Procedure Act

State agency projects to reduce costs and increase efficiencies. The Director of Audit and the Secretary for Financial Services and the Treasury or his representative are in attendance at all hearings.

Organic Syntheses Procedure

NSF program officers are authorized to approve the first no cost extension request on current active awards.

Grant Programs

Registration promotes transparency and the availability of texts of treaties to the public. GRANT PERIOD is the period of time between the effective date and the expiration date of an NSF grant shown as the duration.

17p11.2 syndromes are much more than deletions and duplications

This practice has continued up to the present. Any project which has been submitted to the Public Works Subcommittee or to the Finance Committee is usually not subject to further public consultation. There then followed committee stage and third reading.

Grant Policy Manual NSF 05

NSF makes every attempt to honor continuing grant commitments.
