## Modern Essays by Christopher Morley

In all comparisons that rise in the heart, the river, with its multitudinous waves and its single current, likens itself to a life, whether of an individual or of a community. The atmosphere that is so familiar and comforting to us, is to many of them an environment of dread possibilities. They can hurt no one.

The coming of the destroyers alters the outlook. But experience is a fine aperitive to the mind. Is it their nature, or are they puppets of imperial forces with agendas of their own? Tom O'Connor, farmer-politician, and Rev.

### 7 'Modern Love' Essays To Read Before The TV Series Premieres

This last was unquestionably one of the most powerful books born of the War, but its sale was tragically small. She never fell from a horse in her life.

### Essay about Modern Times

She leaned against the great family bedstead and looked at us. Different elements of the movie were able to portray the different difficulties of the lives in America during that era. This is not an essay per se, but I included it on the list for the sake of variety.

His interest in fruit is intimate, as he has been for some years an engineer in the sea service of the United Fruit Company, with a Mediterranean interim—reflected in much of his recent writing—during the War.

**Modern Technology Essay**

II Interplanetary communication is one of the persistent dreams of the inhabitants of this oblate spheroid on which we move, breathe and suffer for lack of beer. We learned that our hostess was a widow. And when they are happy, as on the evening now under consideration, they sing to express their satisfaction with life.
